Masterclass: Tackling Racism in Organisations – a three-part session

Wednesday 21 April – Tuesday 4 May | Member fee: £495 + VAT

This unique series explores the concept of anti-racism and what it means to be an anti-racist organisation. Working with peers across the sectors, this series of three half-day sessions explore the context and use the power of the group to devise practical actions that the participating organisations can strategically implement.

Masterclass: Enhancing Personal Impact and Presence

Tuesday 25 May 09:30 – 16:30 | Member fee: £450 + VAT

This highly practical and interactive workshop is for people who want to maximise their presence and impact. If you want to make dynamic interventions, influence others at meetings, or deliver difficult messages, this session is for you. It will explore not what we say – but how we say it.

Masterclass: The Secrets of Group Dynamics

Wednesday 9 June 09:30 – 16:30 | Member fee: £450 + VAT

This masterclass is a must if you are interested in raising your awareness of what really goes on when more than two people are communicating. From a practical point of view it is about claiming the power in a group, closing the over-talkative in a more elegant way, and encouraging your wallflowers.

Masterclass: The Neuroscience of Leadership

Tuesday 22 – Wednesday 23 June 09:30 – 16:30 | Member fee: £450 + VAT

This masterclass will be delivered over two mornings.

Neuroscience helps us to understand what makes the difference. For the organisation, leader and employee, it provides a 'win-win': it brings to light what enables us to perform at our best while at the same time supporting mental and emotional well-being at work.
