35 YEARS
of connecting the sectors

WIG Women's Network

What will you gain?

- Forge a network of supportive peers
- Meet a range of inspirational women leaders
- Understand your leadership style

Women's Development Seminars

These brand new seminars help women build their confidence whilst introducing them to ways of being mindful and resilient. Both seminars **include one-to-one coaching sessions** that offer additional support and help attendees maintain focus and motivation whilst implementing actions from the seminars.

Next available dates:

- Women's Leadership: Understanding Yourself | 14 January 2020 (fees apply)
- Women's Leadership: Wellbeing – Drawing on my Resources | 12 March 2020 (fees apply)

Women's Leadership Programme

The nine-month modular programme will supply the tools, strategies, mentors, coaches, as well as long-term networks to support and challenge you on your way to the top.

- Forge a network of supportive peers
- Meet a range of inspirational women leaders
- Understand your leadership style
- Hear from inspirational women leaders and visit others
- Explore practical leadership issues in a day visit to a charity
- Receive two one-to-one coaching sessions
- Be a part of action learning sets that provide the safe space for you to learn from the other delegates
- Receive individual support from a personal mentor from the private, public or not-for-profit sector
- Learn and understand frameworks that can be put into practice immediately
- Become an alumna of WIG which brings great future opportunities and discounts

Programme cost: WIG member fee: £5,800 + VAT (discounted from £7,300 + VAT for non-members)

Our next cohort begins **9 March 2020**

WIG
35 YEARS
of connecting the sectors

Events for Women

Annual Women's Networking Lunch (usually in December each year)

As one of the highlights in our calendar of events, the annual lunch brings together over 150 women from a wide range of sectors, offering the opportunity to network and hear from a keynote speaker.

Senior Women's Networking Dinner

A small member-hosted dinner with a themed discussion that brings together a select group of senior level women and their mentees from across the sectors.

Other WIG Offers

Non-Executive & Trustee Roles

A Non-Executive/Trustee role can significantly broaden your own experience.

Your specialist knowledge will contribute to the development and effectiveness of the organisation's strategy and how it is delivered. You'll gain board-level experience, the opportunity to operate and develop at a strategic level, the chance to expand your business knowledge, and a cross-sector network.

WIG-placed Non-Executives/Trustees value the unique insights and the knowledge gained from their involvement in the strategic and organisational development of an organisation.

Cross-sector Mentoring

You may be taking on a new role or simply be seeking a mentor from outside your organisation. We will match you with an experienced leader from another sector to help you meet business and individual goals. It's a unique relationship and both sides of the partnership benefit from discussing their different approaches to, and experiences of, similar themes.

What you will gain:

- A broader perspective, drawing on the perceptions gained from leadership in a different sector
- Practical insights and constructive challenge
- Exposure to another sector's way of thinking, within a manageable time commitment
- Access to high quality mentors from the WIG membership base

For Non-Executive/Trustee opportunities and mentoring, contact talent@wig.co.uk
